1.43pm	Trajectories of functioning in survivors and partners / caregivers <i>Prof Afaf Girgis AM</i> , Ingham Institute for Applied Medical Research and University of NSW	
2.03pm	Poster Discussion <i>Prof Bogda Koczwara AM</i> , Flinders Medical Centre	
2.28pm	Anxiety and depression after diagnosis of high-risk primary cutaneous melanoma: a four-year longitudinal study <i>Assoc Prof Vanessa Beesley</i> , QIMR Berghofer Medical Research Institute	
2.36pm	Ovarian Cancer: patient experience and psychosocial research priorities in the Australian context <i>Ms Hayley Russell</i> , Ovarian Cancer Australia	
2.51pm	Afternoon Refreshments Trade Exhibition open & Poster Display	
SESSION 4		Chairs: Ms Yvonne Panek-Hudson and Prof Justin Tse
3.15pm	The community voice in cancer survivorship: History, hegemonies and hope <i>Prof Suzanne Chambers AO</i> , University of Technology Sydney	
3.35pm	Each cycle of chemotherapy for stage III colon cancer improves one-year mortality outcomes <i>Dr Peter McNair</i> , Victorian Agency for Health Information	

LEGEND	 Invited Speaker	 Rapid Fire Presentation	 Oral Presentation
---------------	---	---	---

3.43pm	Supporters' accounts of healthcare communication, information, and own unmet needs: an interpretative phenomenological analysis in upper gastrointestinal cancer <i>Mr Nathan Harrison</i> , Flinders University
3.58pm	Quality of life following allogeneic stem cell transplantation <i>Ms Bianca Cirone</i> , Alfred Health
4.06pm	Incidence of cardiac dysfunction (CD) at first visit in a dedicated allogeneic (allo) bone marrow transplant long term follow-up (LTFU) service <i>Mrs Ma Teresa Garcia</i> , Royal Melbourne Hospital
4.14pm	Upskilling the primary care workforce on cancer survivorship in an online environment <i>Ms Kyleigh Smith</i> , Victorian Comprehensive Cancer Centre
4.22pm	Clinical Placement Program in cancer survivorship for primary care providers 2017- 2019 <i>Ms Amanda Piper</i> , Cancer Council Victoria and <i>Ms Helana Kelly</i> , Australian Cancer Survivorship Centre, Peter MacCallum Cancer Centre
4.37pm	A successful partnership: PanSupport, a co-designed supportive care resource for Australians affected by pancreatic cancer <i>Ms Catherine Devereux</i> , University of Melbourne
4.45pm	Review and evaluation of the Australian Cancer Survivorship Centre <i>Prof Michael Jefford</i> and <i>Ms Helana Kelly</i> , Australian Cancer Survivorship Centre, Peter MacCallum Cancer Centre
5.00pm – 7.00pm	Networking Drinks Pre-Function Foyer, Level 2, Crown Convention Centre

Friday 13 March 2020 Day 2

7.30am	Registration open Barista open	
SESSION 5		Chairs: Ms Michelle Barrett and Dr Kate Johnson
9.00am	Welcome to Day 2 <i>Prof Michael Jefford</i> , Australian Cancer Survivorship Centre, Peter MacCallum Cancer Centre	
9.02am	2 years on – My Cancer, My Community <i>Viv Interrigi</i> , Consumer Advisor	
9.12am	Enacting psychological care for men with prostate cancer and their families <i>Prof Suzanne Chambers AO</i> , University of Technology Sydney	 
9.32am	Progress beyond the National Cancer Survivorship Initiative <i>Prof Adam Glaser</i> , University of Leeds	
9.57am	A National study evaluating the financial burden associated with cancer treatment and follow-up care in Canada: A quantitative and qualitative examination <i>Dr Christopher Longo</i> , McMaster University	
10.12am	A longitudinal analysis of characteristics associated with inter-individual variability in employment interference in patients with breast cancer <i>Prof Raymond Chan</i> , Queensland University of Technology	
10.20am	Morning Refreshments Trade Exhibition open & Poster Display	
SESSION 6		Chairs: Ms Kyleigh Smith and Ms Sophy Athan
10.45am	Routine implementation of PROs in clinical care <i>Prof Afaf Girgis AM</i> , Ingham Institute for Applied Medical Research and University of NSW	 
11.05am	Promoting healthy behaviours in survivors <i>Prof Deborah K Mayer</i> , University of North Carolina	
11.30am	A healthy lifestyle and survival among women with ovarian cancer <i>Prof Penelope Webb</i> , QIMR Berghofer Medical Research Institute	
11.45am	Partnering with community organisations to deliver an online cognitive-behavioural therapy group program for adolescent and young adult cancer survivors: Ways forward and lessons learned <i>Dr Ursula Sansom-Daly</i> , University of NSW	
11.53am	Investigation of prevalence of interference in daily life among cancer patients during a follow-up visit at a cancer centre in Japan <i>Dr Miyako Tsuchiya</i> , National Cancer Center	
12.01pm	A cross-sectional study of fear of cancer recurrence and sexual health in survivors of HPV-associated oropharyngeal carcinoma <i>Dr Georgina Casswell</i> , Peter MacCallum Cancer Centre	
12.16pm	What matters most to breast cancer survivors? Development of a needs assessment tool for clinical use <i>Dr Karolina Lisy</i> , Peter MacCallum Cancer Centre	
12.24pm	Changes in cancer survivors' symptoms, lifestyle, and quality of life over one year: longitudinal data from the Sydney Cancer Survivorship Centre (SCSC) clinic <i>Prof Janette Vardy</i> , Concord Hospital, University of Sydney	
12.32pm	Lunch Trade Exhibition open & Poster Display	
SESSION 7		Chairs: Dr Meron Pitcher and Ms Nicole Kinnane
1.20pm	Taking charge: People living with and beyond cancer must manage their own healthcare needs <i>Prof Deborah K Mayer, Prof Jon Emery, Dr Marcus Grzechnik, Prof Adam Glaser, Prof Bogda Koczwara AM and Ms Meg Rynderman</i>	
2.20pm	Program for Oncology Wellness and Exercise Rehabilitation (POWER): Enabling best-practice care for cancer survivors in a community-based setting <i>Ms Germaine Tan</i> and <i>Ms Dharani Nagarajan</i> , MannaCare	
2.28pm	'Fear-Less' a stepped-care intervention to address fear of cancer recurrence (FCR) in survivors with Stage IV melanoma treated with novel therapies <i>Dr Fiona Lynch</i> , Peter MacCallum Cancer Centre	
2.36pm	"Re-engage": An eHealth intervention to promote health-related self-efficacy among childhood cancer survivors <i>Dr Jordana McLoone</i> , University of NSW	
2.51pm	Afternoon Refreshments Trade Exhibition open & Poster Display	
SESSION 8		Chairs: Assoc Prof Anna Boltong and Ms Helana Kelly
3.15pm	Building on learnings, partnering for success <i>Ms Kathryn Whitfield, Prof Janette Vardy, Prof Deborah K Mayer, Prof Adam Glaser, Ms Julia Cernaz and Dr David Speakman</i>	
4.00pm	Awards Presentation and Conference Close <i>Prof Michael Jefford</i> , Australian Cancer Survivorship Centre, Peter MacCallum Cancer Centre	

Posters

1	Survivorship care model for patients with metastatic neuroendocrine tumors	NP Angela Laffan	University of California San Francisco
2	A systematic review of the impact of cancer treatment summaries	Dr Nadia Corsini	University of South Australia
3	Breast Cancer survivorship: an evolving role for GPs	Dr Alia Kaderbhai	Richmond Medical
4	The development of a carer support program for carers of cancer survivors in a Community Rehab Centre	Ms Andrea Forster Ms Kathryn Bailey	St Vincent's Hospital
5	'The big difference between early breast cancer and metastatic is back then you have really amazing nurse support': supportive care gaps in metastatic breast cancer	Dr Andrea Smith	Consumer
