### Thursday 24 March 2022 – Day 1

7.30am	Registration open
<b>Session 1   Welcome</b>	
9.00am	<b>Welcome from the Convenor</b>   Prof Michael Jefford, Australian Cancer Survivorship Centre, Peter MacCallum Cancer Centre
9.05	<b>Welcome to Country</b>   Uncle Ian Hunter
9.15am	<b>Welcome Address</b>   Dr Zoe Wainer, Deputy Secretary, Public Health
9.30am	<b>Invited speaker</b> Dr Karen Price   President, RACGP
9.45am	Opportunity for questions
9.50am	<b>Invited speaker</b> Proudly sponsored by  <b>NOVARTIS</b> Prof Christoffer Johansen, Head of Research, University of Copenhagen, Denmark <b>Using registry and cohort data to understand cancer survivorship and late effects</b> (recorded presentation)
10.10am	<b>Dr Emma Kemp, Flinders University</b> <b>Outcomes of a pilot study evaluating a nurse-led clinic to reduce burden of cardiovascular disease risk in women with breast cancer</b>
10.28am	<b>Morning Refreshments</b>
<b>Session 2   Quality &amp; Equity</b>	
10.52am	<b>Session introduction</b>
10.55am	<b>Helana Kelly, Australian Cancer Survivorship Centre</b> <b>Progressing the Victorian Quality Cancer Survivorship Care Framework</b>

11.03am	<b>Megan Petrie, University of Melbourne</b> Do Australian state and territory cancer plans include survivorship-related objectives and propose quality survivorship outcomes and measures?
11.18am	<b>Tegan Nash, Peter MacCallum Cancer Centre</b> A state-wide survey to understand current cancer survivorship care practices in Victorian public hospitals
11.33am	<b>Tegan Nash, Peter MacCallum Cancer Centre</b> Educational webinars to increase awareness of cancer survivorship care across Victorian public hospitals: A state-wide project
11.41am	Opportunity for questions
11.46am	<b>Professor Victoria White, Deakin University</b> Disparities in quality of life, social distress and employment outcomes in Australian cancer survivors
12.01pm	<b>Dr Colin Wood, Peter MacCallum Cancer Centre</b> Unequal experience of follow up care in Australian cancer survivors
12.09pm	<b>Dr Fiona Crawford-Williams, University of Southern Queensland</b> Using the EPIS framework to identify barriers and facilitators to the implementation of post-treatment cancer survivorship care in rural Queensland: a qualitative study
12.20pm – 1.10pm	Lunch
<b>Session 3   Models of Care, Carers, Advanced Cancer</b>	
1.11pm	Session introduction
1.14pm	 <b>Invited speaker</b> Proudly sponsored by <b>Professor Ray Chan, Director and Professor of Cancer Nursing, Caring Futures Institute, College of Nursing and Health Sciences, Flinders University</b> Evidence to support models of care, beyond specialist-led, hospital based (including nurse-led and others)
1.34pm	Opportunity for questions
1.39pm	<b>Kellie Holland, Counterpart</b> Exploring the impact of Counterpart's peer support program on survivors' well-being: findings from a qualitative study
1.47pm	<b>Dr Ben Smith, South West Sydney Clinical Campuses, UNSW Medicine &amp; Health, UNSW</b> Increasing access to fear of cancer recurrence treatment: Engagement and preliminary efficacy of iConquerFear, a web-based fear of cancer recurrence self-management intervention
2.02pm	Poster Discussion <b>Dr Julia Lai-Kwon, Medical Oncology Fellow at Melanoma Institute Australia</b> Review of the highest scoring posters
2.27pm	<b>Dr Rona Weerasuriya, University of NSW</b> A systematic review of the unmet supportive care needs of close allies of men with prostate cancer
2.42pm	<b>Chloe Lim, The University of Sydney</b>

	<b>The long haul: Exploring the survivorship experiences of people with advanced colorectal cancer through a mixed-methods study</b>
2.53pm – 3.14pm	<b>Afternoon Refreshments</b>
<b>Session 4 – Paediatrics &amp; AYA, Transitions</b>	
3.15pm	<b>Session introduction</b>
3.18pm	<b>Invited speaker</b> Proudly sponsored by  <b>Bristol Myers Squibb™</b> <b>Prof Smita Bhatia, Director of Cancer Outcomes and Survivorship, University of Alabama</b> <b>What everyone should know about the Childhood Cancer Survivor Study</b>
3.43pm	<b>Panel Session</b> <b>Passing the baton, navigating your pathways</b> <b>Panellists   Dr Greg Wheeler, Assoc Prof Justin Tse, Yvonne Panek-Hudson, Bernadette Zappa, Meg Chiswell, Consumer, Nicolas Ball</b>
4.28pm	<b>Dr Jennifer Cohen, Canteen Australia</b> <b>Identifying Education and Employment Outcomes and Support Needs in Young People Diagnosed with Cancer to Inform Intervention Development</b>
4.36pm	<b>Emma Vaughan, Peter MacCallum Cancer Centre</b> <b>AYA Can-Sleep: An evidence-based approach to the management of sleep difficulties in young cancer survivors</b>
4.44pm	<b>Sophie Chima, University of Melbourne</b> <b>A systematic review of smartphone applications for cancer survivors</b>
4.52pm	<b>Samantha Staalduinen</b> <b>ReGenerate: a health, wellbeing and survivorship app for adolescent and young adult cancer survivors</b>

## Friday 25 March 2022 – Day 2

8.00am	Registration Open
<b>Session 5   Consumer Perspective &amp; Late Effects</b>	
9.00am	<b>Welcome to Day 2</b> <b>Prof Michael Jefford, Australian Cancer Survivorship Centre, Peter MacCallum Cancer Centre</b>
9.03am	<b>Consumer presentation to be announced</b>
9.13am	<b>Invited Speaker</b> Proudly sponsored by  <b>Bristol Myers Squibb™</b> <b>Prof Smita Bhatia, Director of Cancer Outcomes and Survivorship, University of Alabama</b> <b>Can we identify people at risk of late effects? What is the science telling us?</b>
9.33am	Opportunity for questions
9.41am	<b>Dr Sandra Staffieiri, Royal Children’s Hospital Centre for Eye Research Australia</b> <b>Living with heritable retinoblastoma and the perceived role of regular follow-up at a retinoblastoma survivorship clinic: “That is exactly what I have been missing”</b>
9.49am	<b>Andi Agbejule, Queensland University of Technology</b> <b>Self-management Support for Cancer-related Fatigue: a systematic review</b>

9.57am	<b>Tiffany Li, The University of Sydney</b> Trajectories of Symptom Improvement in Cancer Survivors with Chemotherapy-Induced Peripheral Neurotoxicity
10.05am	Opportunity for questions
10.13am – 10.35am	<b>Morning Refreshments</b>
<b>Session 6   Prehabilitation / Rehabilitation &amp; PROMs</b>	
10.36am	<b>Session introduction</b>
10.39am	<b>Invited speaker</b> <b>Prof Linda Denehy, Professor of Physiotherapy, University of Melbourne</b> Incorporating pre-rehabilitation and rehabilitation into routine care
10.59am	Opportunity for questions
11.03am	<b>Dr Dianne Sheppard, Ipar</b> The feasibility of 'Beyond Cancer', a support intervention for transitioning back to 'good' work following breast cancer
11.11am	<b>Chris Sinclair, EXPHYS</b> Cancer survivors improve return to work and health outcomes through exercise physiology delivered in-person and/or via telehealth.
11.19pm	<b>Rebecca McIntosh, Peter MacCallum Cancer Centre</b> Creating interactive cancer nutrition care resources through a co-design process with patients, carers and health professionals
11.27pm	<b>Rebecca McIntosh, Peter MacCallum Cancer Centre</b> How do we improve nutrition care and information for cancer patients? Exploration of patient, carer and health professional access, perceptions and practices: a mixed-methods study.
11.35am	Opportunity for questions
11.39am	<b>Kirsten Javier &amp; Prof Janette Vardy, The University of Sydney</b> Investigating the recommendations on the surveillance and supplementation of vitamins and minerals in cancer survivors after upper gastrointestinal surgery with curative intent: a scoping review
11.47am	<b>Alastair Kwok, Monash Health / Monash University</b> Maintaining supportive and survivorship care throughout COVID-19: the role of remote patient-reported outcome measures (PROMs) and patient-reported experience measures (PREMs).
11.55am	Opportunity for questions
11.57am	<b>Carolyn Mazaregio, The Daffodil Centre</b> Priority Recommendations for the Implementation of Patient Reported Outcomes in Clinical Cancer Survivorship Care: A Delphi study
12.12pm	Opportunity for questions
12.17pm – 1.07pm	<b>Lunch</b>

## Session 7 | Telemedicine & Debate

1.08pm	<b>Session introduction</b>
1.10pm	<b>Invited speaker</b> <b>Prof Linda Denehy - Professor of Physiotherapy, University of Melbourne</b> <b>Home based and tele-health based rehabilitation</b>
1.25pm	 <p><b>Invited speaker</b> Proudly sponsored by <b>Prof Ray Chan, Director and Professor of Cancer Nursing, Caring Futures Institute, College of Nursing and Health Sciences, Flinders University</b> <b>Telemedicine- where is the evidence, what is the future?</b></p>
1.40pm	<b>The great debate</b> <b>The use of digital and remote care options will increase inequity</b> <b>Debaters   Dr Craig Underhill, Dr Ben Smith, Dr Mahesh Iddawela, Dr Kate Burbury, Dr Kalinda Griffiths</b>
2.41pm – 3.03pm	<b>Afternoon Refreshments</b>

## Session 8 | Future Directions

3.04pm	<b>Session introduction</b>
3.07pm	 <p><b>Invited speaker</b> Proudly sponsored by <b>Prof Christoffer Johansen, Ph.D., Dr. Med. Sci - Head of Research, University of Copenhagen, Denmark</b> <b>The road ahead for cancer survivorship in Europe</b> <i>(recorded presentation)</i></p>
3.27pm	<b>Panel discussion</b> <b>What's the future of survivorship care?</b> <b>Panellists   Prof Ray Chan, Prof Linda Denehy, Prof Michael Jefford, Neville Board, Prof Dorothy Keefe, Dr Karen Price</b>
4.12pm	<b>Closing ceremony</b> , including Presentations for Best Oral Presentation, Best Poster Presentation, Best Student presentation Acknowledgements
4.32pm	Conference concludes

## Poster Program

Will be available in January 2022.

## Program Notes

**Oral** Presentations are allocated 15 minutes. It is suggested that presenters allow 12 minutes for their presentation plus 3 minutes for Q&A.

### **Rapid Fire**

Presentations are allocated 7 minutes. It is suggested that presenters allow 5 minutes for their presentation plus 2 minutes for Q&A. A maximum of 6 presentation slides is recommended.

**Posters** will be available virtually. There will be no physical posters at the conference. The virtual posters will be available 1 week before the commencement of the in-person conference to allow attendees to view at their leisure.
